## EDAWN: ECONOMIC DEVELOPMENT AUTHORITY

Dear Louise,

It is really hard to believe that the year is already half way through, and what a hot summer we have experienced!

Luxury Real Estate continues to thrive in the Reno area. Even with the growing inventory, prices remain stable. Closings on Luxury homes are taking a little longer than usually; however, sales have been brisk. Please find two great documents above on the market in our area.

The National Association of Realtors Settlement are making some changes to how we search properties and work with Buyers. Buyers are now going to have to sign a Dickson Buyer and Broker Agreement before we can show them any homes: [Buyer and Broker Agreement](#).

I am proud to announce that Dickson Realty sales volume form January to June 2024 ranks as the 3rd best in our local history.

Hot August Nights is about to start and here is a link with all their information:
