**YOUR NEW HOME -YOUR NEW LIFESTYLE
WHERE THERE'S NO STATE TAX
THE NEW NEVADA**

Dear,

2018 has arrived and sales at Montreux are off to a good start. 4 homes have sold and of the 14 homes listed today, 5 are already pending. The price per square foot has gone up to \$375 on average, with the highest being \$450 per sq ft. It is truly a sellers market, so if you are interested in selling or buying a home please do not hesitate to email or call me: louise@montreuxreno.com / 775-750-1901.

Yes...the eagle has landed at Montreux on the 18th fairway. We had our first significant snow storm last night and more is predicted to come in the next few days. In the 37 years I have lived here, I have never seen no snow at my house in Galena Forest in late January. With that being said last year this time we broke records for snow fall.
